

The Antrim Township Supervisor's Pledge of Principles and Service to the Citizens

INTEGRITY

We shall always strive for the highest level of integrity in our dealing with the citizens of Antrim Township. We shall be ever mindful of the importance of the trust they have placed in us to lead this Township fairly and honestly. We shall be an example to those we lead by holding ourselves and our staff accountable in such a way as to define this organization by principle.

RESPECT

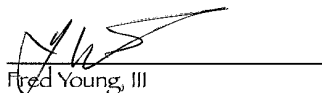

As we lead this Township, we will measure each decision with the principle of respect. We will ensure that every citizen we affect will be treated with dignity and courtesy regardless of the outcome of the decision. Through our leadership the Board of Supervisors and staff will become known as an example of sincere respect, dignity and courtesy as we carry out our duties bestowed upon us as elected officials.

INGENUITY

As we meet the challenges to come, we will strive to find the most responsible, effective, and efficient means to accomplish our goals. We will use ingenuity, resourcefulness and sound management practices to strive for world-class results. We will approach every issue with a balance of common sense and fairness while being mindful of our Township's future.

Affirmed by our endorsements below we pledge these principles to the citizens of Antrim Township this 22nd day of April, 2008.
